

PRIVACY POLICY OF THE PRESSERVICE COMPANY (Regulation Eu 2016/679)

The purpose of this document is to inform Users regarding the Personal Data collected by PRESSERVICE through the website **www.maintenance-assembly-industrial-plants.com** and the methods of managing the site in relation to the processing of personal data of users who consult it.

THE "OWNER" OF THE TREATMENT

Following the consultation of this site, Personal Data relating to identified or identifiable persons may be processed. The data controller is PRESSERVICE, with registered office in via Industria, 225, 41028 Serramazzoni MO Modena – Italy, VAT number 03215970363, e-mail address: info@maintenance-assembly-industrial-plants.com

PLACE OF DATA PROCESSING

The processing of data relating to the site indicated above and at the headquarters of the Provider from which the website is hosted and are handled by the technical personnel appointed by the Owner and the Provider or by any persons in charge of occasional maintenance operations.

TYPES OF DATA PROCESSED - BROWSING DATA

Technical data: The computer systems and software procedures used to operate this website acquire, during their normal operation, some Personal Data whose transmission is implicit in the use of Internet communication protocols, for example personal data, email or postal address and other contact data. This information is not collected to be associated with identified interested parties, but by its very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes IP addresses or domain names of computers used by users who connect to the site, the time of the request. These data are used for the sole purpose of obtaining anonymous statistical information on the use of the site and to check its correct functioning and are deleted immediately after processing. The data could be used to ascertain responsibility in the event of hypothetical computer crimes against the site.

Usage data: Data relating to the use of the Application by the User may also be collected, such as the pages visited, the actions performed, the functions and services used.

Personal data collected through cookies

This website uses cookies to collect Data on pages, links visited and other actions you perform when you use our Services, within forms or emails. They are stored to be then retransmitted to the same sites at the next visit by the same User.

The User can view the complete Cookie Policy at the following address: www.maintenance-assembly-industrial-plants.com/cookie-policy.pdf

DATA PROVIDED VOLUNTARILY BY THE USER

Personal Data that may be sent spontaneously to PRESSERVICE, by sending an email or by filling out specific forms, will be processed according to principles of correctness, lawfulness and transparency, for the protection of privacy and the rights of the interested parties. Such

data may be transferred to third parties only if necessary for the provision of the service requested by the user.

OPTIONAL PROVISION OF DATA

Apart from what is specified for navigation data, the user is free to provide personal data to request the services offered by the company PRESSERVICE or in any case indicated in the "contacts" for any requests and/or communications. Failure to provide them may make it impossible to obtain the requested service.

DATA PROCESSING METHODS

Personal data are processed with automated computer tools, with organizational methods and with logics strictly related to the purposes indicated. Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorized access.

DATA RETENTION PERIOD

The Data Controller will process the Personal Data for the time necessary to fulfill the purposes connected with the execution of a contract between the Data Controller and the User and, in any case, no longer than 10 years after the termination of the relationship with the User.

When the processing of Personal Data is necessary for the pursuit of a legitimate interest of the Data Controller, the Personal Data will be retained until the satisfaction of such interest. If the processing of Personal Data is based on the User's consent, the Data Controller may retain the Personal Data until revoked.

Personal Data may be retained for a longer period if necessary to fulfill a legal obligation or by order of an authority.

All Personal Data will be deleted at the expiration of the retention period. Upon expiration of such term, the right of access, cancellation, rectification and the right to portability of the Data may no longer be exercised.

User Rights

Users may exercise certain rights with reference to the Data processed by the Owner. In particular, the User has the right to:

- withdraw consent at any time;
- oppose the processing of your Data;
- access your Data;
- verify and request rectification;
- obtain the limitation of processing;
- obtain the deletion or removal of your Personal Data;
- receive your Data or have it transferred to another owner;
- lodge a complaint with the supervisory authority for the protection of personal data and/or take legal action.

To exercise their rights, Users can send a request by email to:

info@maintenance-assembly-industrial-plants.com

Requests are made free of charge and processed by the Owner as soon as possible, in any case within 30 days.
